SUBJECT: Estonia Fully Supportive on Iran

REF: STATE 100153

On September 30, Charge delivered reftel points jointly with the UK Charge and French DCM to Anneli Vares, the MFA Middle East desk officer, and to Kristi Torim, of the MFA's Arms Control Bureau. Vares said that Estonia fully supports our position, is very concerned by the new site and by recent missile tests, and believes Iran must open the new site to IAEA inspection. If no diplomatic solution is forthcoming in the P5+1 talks, Vares said Estonia would support further sanctions. The GOE would prefer if sanctions were approved by the UNSC, but understands this may not be possible.
